Attorney Docket No. 06478.1462

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

An English language equivalent to EP 1 074 615 A1 has been provided as Canadian Application No. 2,315,309.

In lieu of a statement of relevance or translation of non-English document EP 1 153 608 A1, its U.S. counterpart printed application, Publ. No. US 2001/0051154 A1 is provided.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
